

Subject: Company Supported Volunteer Opportunity

I want to share an opportunity to join in the Lunch Pals mentoring initiative to benefit students at *School Name, School Address and City*. As a Lunch Pal, you'll make a difference in the life of a student simply by having lunch with them for 30 minutes once a week and sharing a friendship. The total time commitment is less than one hour, including your travel time, per week.

When meeting with the student, most mentors bring their own lunch and the student gets theirs from the cafeteria. Being a Lunch Pal requires no special talent – all you have to do is be a friend.

Plan to join us at an onsite orientation/mentor training session on *Date and Time* to make it easy and convenient for you to move forward with your involvement. Please contact *Partner Contact Name, Email and/or Phone* to let her know of your planned participation or get answers to any questions.

Thank you for your consideration towards making a difference!
