2005 in Review: FAPE Makes New Partners

President's Message

Dear FAPE Members,

This has definitely been an exciting year!! Your FAPE Board of Directors is focusing efforts on enhancing membership benefits. As you read our newsletter, you will notice that a tremendous conference is being planned for April 19 – 21, 2006, at the Hilton Daytona Beach Ocean Walk Village. Information regarding that conference can be found at www.flpie.net or you can contact Barbara Ann Cox, Barbara@MeetingMakersInc.com We already have our first registration. The attendance goal is Daytona: 500, so be sure to encourage your friends to attend.

FAPE's partners are adding SO much to the event. Many thanks are extended to the Consortium of Florida Education Foundations, Communities in Schools, DOE, SUNSPRA, and PTA. We are also working closely with David Mosrie and the Florida Association of State Superintendent (FADSS) plus Rick Everitt and the Panhandle Area Education Consortium (PAEC) on our mutual goals. Broadening the interaction and networking among all these agencies provides great opportunities for strengthening community participation in our schools.

The Conference Program Planning Committee, under the direction of Anne French and Margaret Ann Wheeler, has done a fabulous job of lining up

tremendous keynote speakers and workshop presenters. Jane Lane has been working diligently on establishing CEU credits for those who attend the conference workshops. Thanks to Susan Walton and FADSS, there will also be a new addition to the Outstanding School Volunteer Luncheon this year. The Superintendents Awards will honor superintendents who wholeheartedly support their district wide school volunteer program. This partnership with FADSS creates the opportunity for Superintendents to be recognized while they simultaneously honor our wonderful volunteers at the OSV Luncheon.

We are also collaborating with Rick Everett at PAEC to develop a model on-line training program that Volunteer Coordinators can use back in their districts in volunteer orientations. It's wonderful to have top notch materials available at your fingertips and not have to reinvent the wheel. Thanks to Rick for sharing his resources and all the hard work he has put into this.

These are all exciting new developments, but it is clear we need additional hands involved in our projects. The Board of Directors would like to reach out to all of our FAPE membership and ask for your help. If you are interested in making a difference through our organization, please call our executive director, Pam Lastowski @ 850-514-FAPE (3273) or e-mail her at pamlastowski@comcast.net. Hundreds and thousands of children will be impacted by your time, effort and leadership.

Sincerely,

Judi Miller

Celebrate International Volunteer Manager Appreciation Day!

December 5 is International Volunteer Manager Appreciation Day. This day provides the opportunity to recognize volunteer managers at the state, district, school and private sector level. IVMA Day, established in 1999, brings well-deserved recognition to volunteer managers and promotes a greater awareness of the catalytic role managers offer in:

- Possessing the skills and knowledge to help others meet community needs
- Positively affecting the lives of those served, and of volunteers
- Providing the leadership necessary for a good and just society
- Helping mend the social fabric

Use December and throughout the year to honor the professionals who practice the management of volunteer resources. They make a difference. For more information on IVMA Day, visit www.ivma-day.org.
